CALVARY STUDENTS OVERVIEW

VISION

We exist to guide students into a real, growing relationship with Jesus.

STRATEGY

Our strategy is to help every student who attends Calvary Students to:

BELONG - **give every student a place where they know they belong and matter**

- Feel that CS gatherings and experiences are warm and welcoming.
- Feel like CS is a safe place to talk about anything.
- Feel seen, named, and known by their small group leaders.
- Feel like Small Group is family and a place they can be real.
- Feel that the community of the church is like being home.

BELIEVE - **equip every student to develop an authentic lifelong faith and identity in Jesus**

- Have a clear understanding of the gospel.
- Articulate their OWN personal story and faith in Jesus.
- Know that CS is a safe place to ask any questions or express doubts.
- By giving clear next steps and tools on how to grow an everyday faith.
- Develop a love for Jesus that leads to a lifelong faith.

BECOME - **help every student discover their purpose and become more like Jesus by living out their faith**

- Have an active and engaged faith that serves others.
- Understand that there is a world bigger than themselves.
- Have a clear understanding of the purpose that God has created them for.
- Use their spiritual gifts to impact the people around them.
- Prioritize Jesus as the center of their life.

OUR BIG WIN

We win when a student takes a step toward real belonging, real faith, and living out their real purpose.
